

ABTT Brief Report, July 2022

ABTT TRAINING AND EDUCATION COMMITTEE

Chair: Sebastian Barnes

Our last meeting was on the 5th of May, 2022, by Zoom. A seminar at the ABTT Show has introduced us to several new committee members.

Courses:

We are still experiencing an increased demand for our courses, recently delivering in Crawley, Durham, Manchester, Shrewsbury and Edinburgh.

Future planned courses include:

Bronze in Manchester split weeks early May and early June

- Bronze in August in Merthyr Tydfil in July
- Bronze in London in July and September
- Summer School 6th August at Warwick Arts Centre including Silver Electrics, Stage and Sound, Gold. We plan to deliver the Working at Height module to a separate session in Birmingham, reducing each Silver to 5 days and increasing potential capacity
- Pyro courses 31st July at Warwick University and Chatham in June
- Mental Health Awareness 2 days end of July with enquiries for other dates

We have recently reviewed the content of our course materials to ensure standardised and consistent materials across different tutors. We are also re-drafting a tutor delivery guide and induction policy. We are still seeking tutors for some of our courses, Bronze and Silver Stage Structures. We don't plan to advertise. Useful contacts are welcome.

We have moved to delivering course materials in PDF format rather than printing and posting large documents.

Meetings proposed for 2022, at 14.00:

14th July

22nd September

3rd November

Sebastian Barnes

Chair, Training and Education Committee

12th July, 2022.
