## GOLD AWARD TRAINING REGISTRATION FORM

ABTT is now offering the Gold Certificated Award for Theatre Technicians:

### What is the Gold Award for Theatre Technicians?

The Gold Award is a two day course designed to support the candidate for a role in which they will have responsibility for the management of the working environment and the practices therein.

### Who can do the course?

Candidates wishing to pursue the Gold Award should have attained a similar level of understanding and comprehension as achieved by pursuing the Bronze and Silver courses.

### How is the course structured?

The course looks at the management of health, safety and welfare within the theatre and events industry.

DAY 1: Risk Management 1 - This module covers important aspects of the Management of Health and Safety at Work Regulations, including roles in emergency/disaster plans and attitudes towards theatre safety.

DAY 2: Technical Standards for Places of Entertainment - exploring the guidance. Risk Management 2- a practical session completing risk assessments.

Gold Award Assignment Briefing - planning your written report.

### What does the course cover?

- Building on a knowledge of regulation equivalent to that gained in the ABTT Bronze and Silver Awards, the course covers the principles of health, safety and welfare; the UK legislative framework and the implications of legal duties on the entertainment industry.
- How to achieve a comprehensive approach in order to ensure the health, safety and welfare of all workers and not to expose any other person to risks to their health and safety.
- How to implement an active programme of health promotion in the workplace, prioritising a sustainable and preventative approach.
- Formal risk management skills required by managers, HODs or supervisors.

### Gold Award Assignment Briefing:

The assignment is a written report, to be completed within 3 months of the last course date and based on a management 'Safe System of Work,' featuring the candidates workplace. It should be 2500-3000 words. An assignment briefing and candidate discussion will take place with the course tutors. The assignment will be subject to an external assessment by the Royal Conservatoire of Scotland.

### What will I be able to do at the end of the course?

- Identify legal requirements for the provision of health, safety & welfare in the work place
- Identify sources of guidance for compliance with legal requirements
- Develop procedures to ensure adequate management of health, safety and welfare in the work place
- Undertake a comprehensive and detailed Risk Assessment
- Develop and record detailed method statements to achieve the control measures identified by a risk assessment.
