You will require a current edition of Technical Standards for Places of Entertainment. To apply you must have experience. It is open to Members, non-members HDOs and Supervisors.

**A deposit of £100 is required before a place can be reserved on a course. Payments are accepted by credit card, debit card or cheques payable to Theatrical Trading Ltd. Which is wholly the owned trading subsidiary of the ABTT.**

## **Distance Learning:**

### **AutoCAD (Online Course):**

This course is largely based on AutoCAD's 2D functionality with a short bonus 3D tutorial at the conclusion of the course. Used within the Theatre industry to develop technical drawings for a range of different uses, if you are on the technical drawing side of set or theatre design, this course is for you.

Only those with current ABTT Membership are eligible to sit this course. Made up of 6 modules, the course costs £80 + VAT per module.

## **Running Courses in Venue:**

Many of our courses are available throughout the year in various locations in the UK, but these can also be run on-demand via peripatetic delivery.

Courses may be delivered anywhere within the UK, or abroad and the ABTT would welcome interested theatres or organisations who wish to act as a host venues to get in contact.

Theatres and Companies who are Affiliated Organisations or ISG Supporters may host courses at their own venue at discounted rates.

There may be some specialist requirements depending on which courses you are interested in. For example, for the Bronze Award, we would require the ability to fly scenery using hemp or counterweight.
