

ABTT Awards

ABTT Award for Environmental Sustainability Nomination Form

The ABTT Award for Environmental Sustainability is presented to someone who has made a significant contribution to furthering environmental sustainability within the theatre industry. The recipient of the ABTT Award for Environmental Sustainability will normally meet all the following criteria:

Criteria of Award:

1. Over the past 12 months they will have made a significant contribution to furthering environmental sustainability within the theatre industry.
2. Their contribution may be towards the creation of sustainable live performance productions; the sustainable development or management of a performance venue; or the sustainable operation of a theatrical company or organisation.
3. In addition to the direct improvements the individual's contribution has achieved their success will have provided case studies, examples of good practice and/or resources available for the use of others.
4. The individual may have made their contribution at a level appropriate to the stage of their career.
