ABTT Automation Foundation Course

What is the Automation Foundation Course?

The Automation Foundation course is designed to introduce trainees to Automation in live entertainment, as a one-day course.

What does the course cover?

The course will cover topics such as What is Theatrical Automation? Where and why is it used? Automation Possibilities and Limitations., Types and applications of Automation, Best practices and communications in Automation., Basic topology of Automation., Common system components., Fundamentals of control systems and control loops, Safety in the application of Automation, Automation team common operations.

What will I be able to do at the end of the course?

On successful completion of this award, you will be able to evidence an understanding of the key components and applications for Automation within Theatre and Live events and have an understanding of how Automation teams operate in a variety of applications. You will have the opportunity to access further training on the Silver Award for Automation.

How do I apply?

To apply for the course, simply fill in the form below and return to the ABTT Office via email on admin@abtt.org.uk

Please be aware that your course place will not be secured until full payment or purchase order has been received.

Course Costs:

£285 + VAT for Non-Members
£180 + VAT for ABTT Members
