Opera North Job Pack
Production Electrician

Opera North's purpose is to create extraordinary experiences every day, using music and opera to entertain, engage, challenge and inspire.

Our people

Working at Opera North you will be part of a company and group of people committed to fulfilling this purpose. Whatever role you take we will provide you with an induction plan that introduces you to your job and the team you'll be working in, as well as giving you the opportunity to meet colleagues across the company. Our success in delivering against our purpose will be built on the commitment, skills, diversity and well-being of the people who work at Opera North, and we will invest in training to develop our people both professionally and personally, because we believe this strengthens not only our company, but also the wider creative sector.

**Our communities and
audiences are part of us
and we are part of them.**

Our award-winning work tours to theatre stages and concert halls throughout the North and beyond.

Who we are

Based in Leeds, rooted in the North of England and international in outlook, our award-winning work tours to theatre stages and concert halls throughout the North and beyond, including to London and major international festivals. Alongside touring opera, in Leeds we curate an eclectic artistic programme of gigs, concerts, spoken word and film in the Howard Assembly Room. We aim to make work that is bold, innovative and ambitious, always looking for new ways to share and create with audiences.

Music for everyone

Opera North believes opera and music is for everyone, and champions diversity in artists, repertoire and audiences. Through our Learning & Engagement team, the Company connects with communities and inspires each generation, aiming to enhance the health and well being of people in the cities, towns and villages where we work through arts participation and performance.

A new home

In 2021 we moved into our new home, the Howard Opera Centre. It is a world class rehearsal facility for our orchestra, chorus and all the artists we work with, sharing the same building as our new education studio where everyone is welcome to learn about and make music. We have also created a modern flexible working environment for our staff and given our venue, the Howard Assembly Room, a new lease of life with a dedicated entrance and public spaces, together with restaurant and bar in the heart of Leeds.

Leeds as a capital of culture

Leeds is the only city in England outside of London to have a resident full time opera company, ballet and repertoire theatre as part of a diverse, collaborative and thriving cultural scene. That rich offer has been complemented by a growing tech sector. Surrounded by the stunning Yorkshire countryside including the Dales, Moors and North Sea coastline, Leeds is a fantastic place to live and work.

Purpose of the role

The purpose of the job will be to help prepare, implement and operate performance related lighting, sound and AV equipment for Opera North productions both in Leeds and on tour. The successful candidate will be expected to work effectively as part of the team, making sure that all activities are carried out to the highest standards of safety, efficiency and quality. Essential requirements for the job include a proven track record of lighting sound and Av work, team work and a positive attitude towards health and safety.
