AUTOCAD TRAINING(Tutor Lead) REGISTRATION FORM

ABTT is offering members an AutoCAD Tutor Lead distance

learning course:

What is AutoCAD?

AutoCAD is the world's leading Computer Aided Draughting program with over 10 million users worldwide. It is used within the Theatre industry to develop technical drawings for a range of different uses.

Software

AutoCAD LT Trial software can be downloaded upon purchase of the course, providing access for the course sessions.

How is the course structured?

The course is specifically tailored to the needs of users in a theatrical environment, it consists of six parts and is structured so you can create simple drawings after Part 1. The course will provide you with a foundation of skills, allowing you use the program straight away and build your knowledge. The course is delivered by 10 tutor lead sessions by David Ripley.

Tutor Expertise

David Ripley from cad4theatre provides both training and CAD resources to the entertainment industry. Throughout your course, you will be submitting exercises via email, your progress will be monitored and feedback given by David. At the conclusion of the six part course, a free tutorial introducing 3D drawing will be offered. Full support will be provided to those taking the course, so that any queries, comments or problems can be dealt with swiftly.
